

OCEAN PARK OWNERS' ASSOCIATION, Inc.

Rev. 12/18/21

APPROVED DOORS, SHUTTERS, WINDOWS AS Revised 10/29/21 Board Meeting

Prior to replacing any door, shutter or window do the following:

Download the Architectural Approval form (ARC) in the resident file on our website: www.cloverkeyinc.com. When completed please submit to www.cloverkeyinc.com.

The Association is responsible for the painting of doors. Contact cloverkeyinc.com when ready to be painted.

KITCHEN/DINING DOOR

Type: 9 Lite Single Unit Door with two lower raised panels
(Painted steel may rust over time, so fiberglass may be the best option for our proximity to ocean. If windows open, they will not meet code). Clear/Frosted glass is permitted. (As of 7/16/20) Note: If you have trouble finding this door, Ace Hardware, US 1 in Cocoa, may have it.

Size: 32" x 82" approx.

MAIN ENTRY DOOR

Type: Available in steel or fiberglass with raised panels as shown. (Painted steel may rust over time, so fiberglass may be the best option for our proximity to ocean.)

Size: 36 x 80 approx.

SCREEN DOORS FOR MAIN ENTRY DOOR and KITCHEN/DINING ROOM DOOR

Style: Any style, but non-wood and white going forward. (As of 10/29/20)

Sliding Glass Patio Door/Screen

Type: White in color, clear glass, no panes

HURRICANE SHUTTERS

Style: Either style, but white in color. (As of 10/29/20)

KITCHEN/BATHROOM/BEDROOM/LIVING ROOM WINDOWS

Type: White Vinyl Over & Under, Single/Double Hung, Horizontal Two or Four Pane (as of 10/29/20)

Size: Kitchen 24" x 28" approx.

Bathroom 26" & 26" approx. (May have obscure glass.)

Bedroom/Living Room 54" x 46" approx.
