Special Instructions: This sample *Roof Inspection Form* includes the minimum data needed for Underwriting to properly evaluate a property application. While this specific form is not required, any other inspection report submitted for consideration must include at least this level of detail to be acceptable.

Photo Requirements

Photos must accompany each *Roof Inspection Form*. The minimum photo requirements include:

- Roof: Each slope
- All hazards or deficiencies

Documenting the Condition of Each System

The Florida-licensed inspector is required to certify the condition of the roofing system. *Acceptable Condition* means that each system is working as intended and there are no visible hazards or deficiencies.

Additional Comments or Observations

This section of the *Roof Inspection Form* must be completed with full details/descriptions if any of the following are noted on the inspection:

- Updates: Identify the types of updates, dates completed and by whom
- Any visible hazards or deficiencies
- Any roof determined not to be in good working order

Note to All Agents

The writing agent must review in advance each *Roof Inspection Form* submitted with an application for coverage. It is the agent's responsibility to ensure that all rules and requirements are met before the application is bound. Agents may not submit applications for properties with roof(s) not in good working order or with existing hazards/deficiencies.
