Dear Island Cove Condo Owners,

There are two ways for unit owners to obtain a certificate of insurance. In both situations, the unit owner will need to provide the insurance agent with their address and mortgagee clause.

1. You can email our agent Justin Murrell at justinmurrell@sjrinsurance.com and he can always provide one.
2. You can email cs@icerts.com . This is a free service for all unit owners to access a certificate for their unit 24hrs a day 7 days a week.

The full policies can be found on www.cloverkeyservices.com . Click on the Island Cove photo, and the documents are under "Insurance".

Sincerely,

Jennifer Vo
