TO REQUEST CERTIFICATE OF INSURANCE

There are two ways for unit owners can get a certificate of insurance. In both situations, the unit owner will need to provide the insurance agent with their address and mortgagee clause.

1. You can email our agent Justin Murrell at justinmurrell@sjrinsurance.com and he can always provide one.
2. You can email cs@icerts.com this is a free service for all unit owners to access a certificate for their unit 24hrs a day 7 days a week.

The policies can be found on www.cloverkeyservices.com and click on Banana Bay photo, and under insurance.

Sincerely,

Jennifer Vo
